‘unless a grain of wheat that falls to the ground and dies, it stays just a grain; but if it dies, it produces a big harvest.’

‘Seeds of Hope - Beauty out of Ashes’

‘In the final part of the Au Revoir for Ginnie we wanted to recognise and honour all the seeds she has lovingly sown into each one of our lives and ministries, not only in the UK but all over the world. This is a unique moment so let’s not miss this opportunity.

Please prepare a seed or seeds of some kind - from the garden or kitchen cupboard i.e. olive stone, apple pip, almond nut, or just draw a seed on paper.

Let us take time to think or write something related to the seeds you have in your heart from knowing Ginnie. You may even have a scripture you want to plant.

Together we will ask God to protect, water and help us steward the growth so that they bear much fruit’
